

Dear,

The Synergy Offshore do Brasil LTDA business unit has completed one more renewal process of Trace Seal, this between February 1st, 2020 and January 31st, 2021, under certificate TC4132-1949. We have been Trace certified agency since 2013 and we have obtained success in all renewal process ever since.

The Trace International is a globally recognized organization against corporation bribery and a leading provider for third party risk management solutions. The Trace's Due Diligence certificate is based on internationally recognized standards and aims to collect and analyze Compliance information that demonstrates the entity's commitment to transparent business practices.

The successful completion of Trace certification demonstrates our seriousness, as well as our commitment to commercial transparency, allowing us to be a valued partner for national and international organizations.

Our Due Diligence report is available on the Trace International website for public of interest who wants to do business with us. To obtain access, please contact qsms-consult@synergy-offshore.com.

Synergy Offshore do Brasil Ltda
TRACEcertification ID: TC4132-1949

1 February 2020 - 31 January 2021

Due diligence is not a guarantee against past or potential wrongdoing or against potential liability.

Depending on the nature, size, scope and location of the proposed project with an intermediary, more extensive due diligence may be warranted.

The following "red flags" or significant areas of concern were identified during the due diligence review:

-  Disclosed intention to work with a third party intermediary
See Associated Offices & Entities.
-

Due diligence undertaken by TRACE International or TRACE Inc. shall not be used to support or promote business in Iran or other sanctioned countries.
